based on 25 years of community development practice six of which have been lived in south africa peter westoby s ground breaking monograph moves away from dominant normative accounts of community development to provide an appreciative and critical analysis of concrete examples of community development theory and practice by examining community development stories as experienced on the ground westoby is able to show how the poor are organising themselves using various forms of community development as well as demonstrating how the state and non state actors are attempting to organise engage or accompany the poor through community development the book also breaks new ground in theorising the practice of community development drawing inductively from the stories analysed the diversity of south african contexts and the proliferation of different kinds of community practice make this a hugely difficult task despite this westoby argues it is one worth undertaking given the seriousness of the challenges facing the poor and progressive social change agents within south africa in this undertaking westoby draws upon a unique analytical framework to help illuminate current community development policy and programme challenges along with practice dilemmas and wisdom

this scholarly work appears at a crucial moment in south africa with the country now democratically independent for close to 20 years the authors provide a comprehensive description of schooling and overall education that allows the reader to see if or how the wide social development gaps that existed during the apartheid period are changing this book is a rare academic contribution to the current linguistic and culturally rich classroom that teachers now work in daily the authors report that some teachers are flummoxed by what they find newly trained teachers seem better prepared while others bring old but good teaching habits into the classroom overall this book rooted as it is in meticulous long term ethnographic classroom observations and multiple teacher interviews shows that what is effective for the learning of learners is not by any means detachable from demographic economic or political contexts with that in mind the book s intentions and structure are clear and the initial historical analyses provide insight to the important linguistic social and cultural connections or disconnections present in contemporary south africa
